Bonus Day June 10
JUNE 11-13, 2026

DENVER, COLORADO

WOOHOOO! *you are here!*

*O*n behalf of the 2026 Conference Committee, I want to be the first to welcome you to this year's Rocky Mountain Homeschool Conference! We are so grateful you've decided to join us at the beautiful Denver Marriott!

Our faithful Conference Committee has poured thousands of volunteer hours into this event and our deepest desire has been to prepare a place for you to be **encouraged, equipped, and empowered** in your home discipleship journey.

Our vision for the Rocky Mountain Homeschool Conference is to be rooted in the full counsel of God that supplies training, resources, and encouragement which can only be gained by attending. We have some amazing workshops (Faith, Freedom & Foundations, Family Business, Life Launch), exhibitors (located in five areas including the second floor), and conference extras (children's activities, The Enduring Word Museum, Mom's Night Out, 1776 Experience) in store for you!

We are praying you leave motivated to disciple the next generation of world-shakers that passionately follow Jesus and the truth of His Word. The training you receive here should help you educate your children from a **biblical worldview**, support your **family discipleship**, and leave you with **practical tips** for home education.

Thank you so much for coming!

For His Glory,

Brandee Gillham

THANKS TO OUR VOLUNTEER TEAM!

Did you know it takes more than 300 volunteers to run the Rocky Mountain Homeschool Conference? We can't thank them enough for the time and talent they have invested. If you see someone wearing a sticker like this one, please tell them "Thank you!"

The Enduring Word Museum is here! Step back in time and experience the incredible story of how God's Word, the Holy Bible, was preserved and shared through centuries of written communication. Families can explore authentic artifacts and manuscripts that bring biblical history to life and deepen appreciation for the Scriptures.

Do not miss the chance to see a working Gutenberg Press replica in action, offering a hands-on look at one of the most world-changing inventions in history. **Available ALL THREE DAYS of the conference.** Every individual 2 years and older will need a ticket to enter.

MOM'S NIGHT OUT

with Rachael Carman

Friday, June 12,
6:30-8:00pm
(\$10 admission)

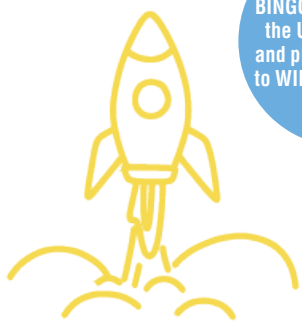

Family Fun Night! Two hundred fifty years ago, the pen proved greater than the sword — and it rang the bell of freedom across the globe with the signing of the Declaration of Independence. Step back in time and experience history come to life before your eyes. Hear firsthand accounts of men on the battlefield, braving the thunder of musketry and the cold steel of a bayonet. Join us in bringing to life America's fight for freedom!

Mom's Night Out! Most moms say that they're exhausted, overwhelmed, and lonely. Even in the best of circumstances, life is challenging. The laundry piles up. The floors are sticky. The kids are, well, kids. So where can a mom get some real rest, some real refreshment? The world offers only empty promises that cannot be satisfied. Jesus offered the woman at the well Living Water. Let's discuss how to tap into the Source that satiates!

Father & Son Lunch: RAISING DANGEROUS SONS IN A SAFE AND MEDIOCRE WORLD

with Todd Wilson

Let's face it! Most men today are expected to be yellow-bellied, lilly-livered weenies! They play it safe. Truth is: God wants your sons to leave the heavily-populated, safe waters and live dangerously. He wants your sons to trust dangerously, work dangerously, and love dangerously. But, that doesn't come naturally. Here's a secret: dangerous living leads to joy, family happiness, and real success, while safe living results in worry, family failure, and heartache. So join Todd as he encourages you and your sons to GET DANGEROUS!

Keynote SPEAKERS

Dr. Rosaria Butterfield

Author & Speaker | www.rosariabutterfield.com

Dr. Rosaria Butterfield is an author, speaker, pastor's wife, homeschool mom, and former professor of English and women's studies at Syracuse University. She is the author of several books, including *The Secret Thoughts of an Unlikely Convert*, detailing her cataclysmic conversion and the Lord's beautiful faithfulness. *Openness Unhindered* answers many questions about identity, repentance, and faith before the Supreme Court's Obergefell decision (2015). *The Gospel Comes with a House Key* shows how we can use hospitality in evangelism in a world that increasingly despises Christianity. In her book *Five Lies of Our Anti-Christian Age*, Rosaria identifies the drastic shift against the Christian faith in our post-Obergefell world by identifying how LGBTQ+ has become the reigning idol of our day, codified in law.

Church-Based. Christ-Centered. Boy-Focused.

A MEN'S MINISTRY THAT STARTS AT AGE FIVE.

You've already chosen to be intentional about your son's education.

But boys don't just need instruction. They need community.

They need to see faith lived out—not just taught. They need men who will call them up, walk with them, and model strength over time.

Trail Life USA partners with homeschool families to reinforce what's happening at home through adventure, mentorship, and brotherhood.

This isn't a drop-off program. It's a shared path for fathers and sons.

Formation works best when it starts early—and happens in community.

GOD GAVE YOU SKILLS FOR A *reason*

HOW WILL YOU USE THEM FOR CHRIST?

NEW!

“American culture is amidst a season of mission and vision drift. Thus, the celebration of the 250th anniversary of our nation’s founding affords us an opportunity to recall the principles that made our great experiment in liberty possible in the first place. This book by Kevin Swanson is the perfect tool to help us recollect and then to course correct.”

Every nation...under God...with liberty and justice for all...under God’s law. Jesus Christ is Lord of all. He is King of kings. Every Christian in the world believes this. And, every nation is under God’s sovereign rule, and therefore, bound to serve this King. Every civil ruler in the world should kiss the Son lest they perish from the way.

As we reach the end of the secular age, when humanism and its political derivatives of socialism and communism have proven miserable failures, where will the nations go from here? After the bankrupted economic theories of Marx and Keynes have finished their ruinous course, and after the revolutions and world wars have scorched the whole earth, what comes next?

Now, once more, Christians in every country on earth are called to be the salt of the earth. Herein is a comprehensive battlefield manual intended for instructing and equipping God’s people for full-bore engagement, in order to reform the political state in every nation on earth.

This handbook will apply the Word of God, the Scriptures of the Old and New Testaments, to equip the man, woman, and all children of God for every good in the realm of the civil state.
